DEDICATION

To one who has helped us make not only this book a success, but also our last year of High School a happy one.

She not only took a personal interest in each of us but pointed out our best in each and every one of us.

She will live in our memories long after we have left the halls of Lowgap and gone out into the world to make our way.

We want to say Thank You, Mrs. Edith Cox.

In Memoriam

We, the class of 1955, wish to express our deepest regret for the loss of a former teacher and loved one, Mr. E. L. Schuyler.

Mr. Schuyler has been a resident of Lowgap community for many years, and was a member of the faculty, here, at the school.

He was also a prominent member and teacher at the Mtn. View Baptist Church.

What he has meant to this school and community, we could never express in simple words.

It is with respect and gratitude that we honor and want to hold in memory, a great man of courage and intellectual ability, a man who in many different ways has helped our churches, school, and community, Mr. E. L. Schuyler.

We want to thank and express the gratitude in our hearts to Mrs. C. W. Eason who has been our teacher, our helper, and our leader for many years.

Her never ending patience will never be forgotten as she helped us with our plays and our Junior-Senior Banquet which was such a success.

For many years her kind hand has lead us. Now that we are preparing to leave school and venture out into the world, we wish her all the happiness in future years.
